News & Events

Upcoming:

PYM Impact Days, April 9-14th

Michael will be in Amsterdam to attend PYM Impact Days and to visit investment partners in the Benelux region after the event. Since 1994, PYM Network has shown the way to true impact investing. Their recent Ocean Salon featured inspirational contributions from AquaSpark and Sea Rangers.

ChangeNOW

Our team was in Paris for ChangeNOW, where we met many new and familiar faces. Ocean Assets participated in workshops on maritime decarbonization, ocean venture philanthropy, ocean science and coastal resilience.

Our Key Takeaways

Maritime decarbonization gets a boost from oil shocks - regardless of policy stalemate - and we have 4 winners in this space!

Regenerative Food Systems are the future, and it's here with true Nature-based aquaculture/ seaweed/ mangrove projects on BlueDeals!
